

The SVC Corporate Sponsor Program links organizations interested in furthering the use and development of vacuum and plasma deposition techniques for PVD processing with the information exchange resources of SVC. Corporate Sponsors play a vital role in the Society by ensuring that the technical programs are responsive to the interests of the vacuum coating community. Many representatives from Corporate Sponsor companies are involved in the Technical Advisory Committees and the Standing Committees that shape the future focus of SVC. Each sponsor, in turn, receives many benefits.

Benefits of Sponsorship

- One SVC individual membership for the corporate sponsor representative (includes a printed and CD-ROM copy of the Annual Conference Proceedings)
- One copy of *50 Years of Vacuum Coating Technology and the Growth of the Society of Vacuum Coaters* Edited by Donald M. Mattox and Vivienne Harwood Mattox, Society of Vacuum Coaters, 2007 ISBN 978-1-878068-9
- Recognition of support in SVC publications
- Brief corporate profile on the SVC Web Site (with a hot link to the Corporate Sponsor's Web Site)
- Corporate Sponsor news releases (non-product related) published in the SVC News Bulletin
- Opportunity to post job openings at the TechCon Career Opportunities Center, free of charge
- Credit in point system for booth selection at the SVC Exhibit
- Opportunity to display corporate literature at the TechCon
- One-time use of the TechCon attendee list

Corporate Sponsorship Dues
